

Queen Shekia

Level: **Advanced** · Runtime: 0:18 · Components: Strategy Chat, Launch Planner, Memory, Sales Scripts

Overview

Meet Queen Shekia — your in-house AI strategist. Ask for a launch plan, a sales script, or a sisterhood pep talk, twenty-four seven.

Learning Objectives

- Brief Shekia on your business in under five minutes
- Generate a complete 14-day launch plan
- Use Memory to keep context across sessions

Key Points

- Shekia remembers goals, audience, and tone across chats.
- Plans export to your task manager and calendar.
- She can role-play customer objections for practice.

Action Items

- Run the Onboarding Brief with Shekia today.
- Generate a launch plan for your next offer.
- Schedule a weekly strategy check-in with her.

Transcript

Meet Queen Shekia — your in-house AI strategist. Ask for a launch plan, a sales script, or a sisterhood pep talk. She remembers your goals, your tone, and your audience, delivering counsel that feels like a private mentor on call twenty-four seven.
