

Setup Wizard

Level: **Beginner** · Runtime: 0:18 · Components: Branding, Payments, Presets, First Offer, Domain

Overview

The Setup Wizard gets your kingdom live in minutes — branding, payments, marketing presets, and your first offer.

Learning Objectives

- Complete the 6-step wizard in one sitting
- Connect payments and verify a test charge
- Publish your first offer page

Key Points

- Wizard auto-configures fonts, colors, and copy from your brand.
- Payments are PCI-compliant out of the box.
- Your first offer is generated from your answers.

Action Items

- Finish the wizard before your first session ends.
- Run a \$1 test transaction.
- Share your live offer link with three sisters for feedback.

Transcript

The Setup Wizard gets your kingdom live in minutes. We'll guide you through branding, payments, marketing presets, and your first offer. Answer a few questions and watch the platform configure itself around your goals.
